

Approved CMP Fund Grants 2018-2019

“Pioneering a New Culture of Aging Annual National Conference”: 07/19-12/19

Grantee Name: Pioneer Network in Culture Change

Grant Amount: \$393,312.00

Goal: Provide the Kentucky certified nursing home staff, residents and family members, Kentucky (KY) Office of the Inspector General (OIG) Long Term Care (LTC) surveyors, KY Quality Improvement Organization (QIO) staff and LTC Ombudsman staff an opportunity to observe caring, thoughtful interactions, to hear new culture language, to learn new concepts and skills to apply the principles and values of culture change and be a part of problem solving with person-centered approaches, all of which benefit nursing home residents through implementation of these practices.

“Kentucky Enduring, Education and Care Network for Collaborative Dementia Care (KEEN-CDC)”: 12/2018-11/2021

Grantee Name: University of Kentucky Research Foundation

Grant Amount: \$279,664.78

Goal: The University of Kentucky shall develop an enduring, tele-network and web-based video training series for Certified Nursing Facility Staff to meet a critical need for health professional training focused on care for residents with dementia.

“Residents’ Rights Consumer Education Project”: 04/2019-03/2020

Grantee Name: KY Long Term Care (LTC) Ombudsman Agency

Grant Amount: \$18,741.00

Goal: KY LTC Ombudsman Agency shall support the Residents’ Rights Consumer Education Project (RRCEP) to create written material for LTC consumers of Certified Nursing Facilities (CNFs) in Kentucky. The material will be in the form of a booklet focused on residents’ rights and regulation revisions.

“Pocket Guide to Pressure Ulcers”: 04/2019-08/2019

Grantee Name: NJHA Healthcare Business Solutions

Grant Amount: \$44,260.00

Goal: The goal of this project is to widely distribute a best practices guide for preventing pressure ulcers in nursing homes; leading to improved preventative care through the accurate identification and documentation of pressure ulcers. Additionally, these guides will increase awareness of other skin conditions that may occur in nursing homes.

Approved CMP Fund Grants 2018-2019

“Enhanced Life” Project: 10/2018-10-2021

Grantee Name: Christian Care Communities, Inc.

Grant Amount: \$109,944.00

Goal: Use the “It’s Never Too Late” technology to improve residents’ quality of life; increase and improve communication between residents, their families, friends and community at large, integrate engagement technology into the rehabilitation program and utilize youth participants as volunteers.

“Resident Engagement and Activity Program (REAP)”: 10/2018-08/2021

Grantee Name: The Jordan Center

Grant Amount: \$53,486.62

Goal: The goal of REAP is to provide opportunities for residents to engage in person-centered recreational and rehabilitation activities using “It’s Never Too Late” Technology. In addition, REAP seeks to reduce the use of anti-anxiety medication for a targeted population of 20 residents by ten percent.

“Connected Affirmation Palliative Project”: 04/2019-03/2022

Grantee Name: Nazareth Home

Grant Amount: \$213,664.00

Goal: To integrate interactive “It’s Never Too Late” technology into each campus’ current palliative care programming. To provide a legacy keepsake for residents’ families, increase education and foster communication about palliative care with residents and their families, and staff. And to affirm the life of the elder with use of their life-story.

“Virtual Dementia Tour (VDT) Comprehensive Experiential Education Program”

Grantee Name: Second Wind Dreams, Inc.

Grant Amount: \$1,141,090.02

Goal: This evidence-based, patented program uses sensory tools and instruction to sensitize staff to dementia resulting in better, more empathic care. In addition, the VDT® training and Dementia Aware Competency Evaluation (DACE)® increases staff accountability in person centered-care and results in improved quality of life for residents.
